

# Entry Pathways Information Session

Join us for a free information session to discover a wide range of apprenticeships, traineeships, and cadetships opportunities across trades and professional fields, including: Water Operations, Mechanical Fitting, Electrical, Parks and Gardens, Civil Construction, and more! Whether you're into hands-on work or dreaming of a career in local government, this is your chance to earn while you learn and get a nationally recognised qualification.

Join us at The Glasshouse, Port Macquarie on Tuesday 16 Sept 2025, 6:00PM–7:00 PM.  
Register via the QR code below.

We'll also share insider tips and helpful hints on how to craft a strong application, so you feel confident and ready to apply. Come along, get inspired, and learn how to apply!
